EDUCATION

Lovely Professional University, Punjab

2020 - 2024

Bachelor of Technology (B.Tech) in Computer Science and Engineering

SKILLS

- **Languages:** Java, Python, C++, JavaScript
- **Lib/Frameworks:** Node, React, jQuery, Flask
- **Tools:** Docker
- **Platforms:** Heroku, Firebase
- **Databases:** MySQL, MongoDB

WORK EXPERIENCE & OPEN SOURCE CONTRIBUTIONS

Hackathons

- Participated in many hackathons and won few.

Web development

- Had experience building full stack websites with backend as both Node and flask. For frontend – react.

Open Source

- Contributed to few open-source projects.

Technical writer

- Written many technical articles.

PROJECTS

- **Silver Screen:** A website to get information about movies, web series, etc and users will be able to keep their favourites as collections. It also shows trending and new releases time to time. (silverscreen2129f.web.app)
- **CampusMate:** CampusMate is a community that connects students from different schools and colleges. It has many features like groups, 1vs1 chat and feed.

LEADERSHIP & AWARDS

- Presented a project on Renewable Energy Sources at Andhra University as part Andhra Pradesh Science Congress(2017) and got into top 5.

Hobbies

- I write a blog a week where I share my learnings through these blogs.
- Active participant in community events and helps my fellow community members.
